Meet the Teacher
Year 3
2026-2027

The Team

St. David: Miss Wheeler

St. Teresa: Miss McCutchion

Teaching Assistants work across both classes.

School Rules

Ready

Respectful

Safe

Maths

- The children will have a times tables or maths fact recall test each week on a Friday.

- They need to practise for these so that they can recite key facts by heart (in Year 4 there will be a statutory DfE set Times Table Check in June).

- We will email you every Wednesday to let you know which tables will be tested.

Reading

Children are expected to read for at least 20 minutes, a minimum of 5 times per week. They should also discuss what they are reading with an adult to support their comprehension skills.

Please sign their diaries whenever you hear them read.

If you have a DBS check and would like to hear readers in school at any point through the week, you will need to complete a safe guarding course and complete a form – please enquire at the office.

PE

PE days are Wednesdays (outdoor) and then Thursdays (indoor).

Children should wear school shoes with their PE kit to school and change into their trainers for PE.

As with normal school uniform, the PE uniform should be adhered to at all times.

Homework

TTRS- the children will be set 15 mins per week on TTRS (Garage) and once that is completed, more games will open up for them to play. Times tables are the building blocks to accessing maths – it is very important that they do their best to learn them as efficiently as possible.

Reading- please ask the children about what they are reading and explain new vocabulary.

Spellings- please assist your children in learning their weekly spellings. We will email the words set every Wednesday to be tested on Friday of the following week.

Times tables- As above – the children will need support in learning the tables that we set via email the previous week.

Thank you for your support!

Rewards

Children will be rewarded with praise and House Points. At the end of each week the House Points are added together to work out an overall winning house. They win the House Cup. At the end of each term the house that has won the most weeks gets to wear their own clothes including their house colours for the day.

We also award dojos for good work and behaviour.

During Celebration Assembly, two children from each class will be presented with a certificate from the Headteacher in front of the entire school.

1 will be for working towards the value of the month

1 will be for a subject chosen that week

Diaries

We will provide the children across the school with homework diaries/planners which are also reading records.

Each week an adult should sign their diary over the weekend.

Any messages from home to school should either be done via email or go in the book. We will check these every Monday, so if it is an emergency, contact the office.

It's the responsibility of your child to inform us if we need to see a message/notes in the diary.

Assemblies

Children will be asked to deliver a short 10 minute assembly over the course of the term on a Thursday.

This will be a topic or theme from our suggestions, or can be linked to the value of the month or a British value.

The children can produce this as a PowerPoint if they wish but this is not essential. They can choose a friend to do this with them, if they want but it is to be prepared at home.

Help with Trips

Our annual trip this year is to Frylands activity centre

If anyone would like to be a helper on this day, please let us know. We will put another request out nearer the time.

Do enquire at the office for a DBS check if you are interested, thank you.

Responsibility and Resilience

We are here to support ALL of the children and want them to thrive and have a great year. However, they are now in the Juniors, and it is also our job to develop their responsibility and resilience.

Therefore, we would like the children to take responsibility for their uniform i.e. making sure they are wearing the correct uniform and making sure it doesn't get lost!

They need to come into school with the equipment that they need and if they don't have it, it is their responsibility to ask us to provide it.

We have reminder the children that toys, including fidget toys from home, are not allowed in school.

Healthy snacks – snacks should be fruit or vegetables.

Keeping the classroom and cloakroom tidy.
