

Xavier Primary Behaviour Policy

"For it is in giving that we receive."

St. Francis of Assisi

This Xavier Primary Behaviour Policy has been approved and adopted by the Xavier Catholic Education Trust in July 2024 and will be reviewed in July 2025.

Audience for the Behaviour Policy

This behaviour policy is intended for the entire Xavier Primary School community, encompassing parents, staff, and children.

- **Parents:** Your involvement is crucial in reinforcing the values and expectations outlined in this policy. By working together, we can ensure a consistent approach to behaviour both at home and in school, fostering a positive and supportive environment for our children.
- **Staff:** This policy serves as a guide for all staff members in maintaining and promoting high standards of behaviour. Consistency in applying the principles and practices described in the policy is key to creating a safe and respectful learning atmosphere for every child.
- **Children:** This policy helps you understand what is expected of you in terms of behaviour. By following the guidelines and rules, you contribute to a positive school environment where everyone can learn and grow safely and respectfully.

By adhering to this policy, we can collectively support a thriving educational setting where respect, readiness, and safety are paramount.

The governors and staff of St Francis Catholic Primary School regard the promotion and maintenance of positive behaviour as pivotal to the development of each child as an individual and to the enablement of all pupils to enjoy school and achieve to the best of their ability. Positive behaviour management in which all are valued and loved is central to our Catholic understanding that all are created by God, in the image of God. We are committed to ensuring the welfare of all pupils, and to ensuring that there is no bullying or discrimination. We are aware of the needs of children who need special support for behaviour. Vulnerable pupils, including looked after children and children with special educational needs or disabilities (SEND), will receive behavioural support according to their need.

Our Xavier Principles:

At Xavier Catholic Education Trust, we aim for our schools to be places where children enjoy learning and achieve well. Relationships with each other, and with God, are central to all that we do. We are committed to the highest standards of childrens' behaviour. We believe that in order to be successful in life, children must be ready to learn, always be respectful and be able to keep themselves and those around them safe. Our Xavier behaviour policy provides a framework to ensure our values are embedded in our daily practice and routines. Praise and recognition for our Xavier behaviours in a culture which consistently supports children to develop appropriate school behaviour will ensure that we have a happy and purposeful learning environment.

This policy draws on a research base of relational practice that reflects the mental health needs of children, acknowledges adverse childhood experiences and trauma-informed practice, alongside behaviour support mechanisms to support the inclusion of children.

At Francis's our school motto – '*For it is in giving that we receive*' – summarises our belief about Catholic education. We seek to educate the whole child: heart, mind and soul. We dedicate precious time each week to reflecting on the Gospel values with the aim of guiding children to learn more about themselves, each other and, most importantly, the person of Christ. This is further underpinned by our school rules.

Be safe
Be ready
Be respectful

School Vision

To provide an excellent education and wider opportunities where all members of our school community will grow and realise their potential through encouragement and perseverance in a safe environment.

In God's love and inspired by our faith, we respect, reflect, achieve and grow together.

Mission Statement

Through God's love and with guidance from the Holy Spirit, we the St Francis' Community, share our Catholic Faith. We seek to nurture in our school family an understanding of the importance of Christian values, forgiveness and reconciliation and a deep love and lifelong commitment to God.

At St Francis', all members of our school community value and develop the unique strengths and gifts of one another and of our pupils. We strive to provide an excellent education and wider opportunities for the children entrusted to us, so that our pupils may grow and realise their potential through self-belief, perseverance and resilience.

Staff, Families, Governors and Parishes work in partnership and, inspired by our faith, we support the children of St Francis'. We encourage everyone to shine, to have pride in their achievements, to show concern for others and to contribute to society as responsible citizens.

Aims:

- For children to learn how to self-regulate their emotions and behaviour.
- To ensure all children develop good learning habits for them to become self-disciplined.
- To have the highest expectations of children's behaviour to ensure the highest standards of learning can take place.
- To create an environment in which children are taught to respect and support each other and to accept responsibility and consequences for their own actions.
- For children to understand their role in making the school an outstanding place to learn and to have pride in their school.
- For parents to understand their role in supporting a positive partnership between school and home.

The Xavier approach: All staff at Xavier Catholic Education Trust are responsible for teaching behaviour that is ready, respectful and safe: often, our consequence is less important than the children learning the correct behaviour. At Xavier Trust we respond to behaviour by:

- Correcting the child through both non-verbal and verbal signals
- Understanding and being curious about the reason for the behaviour.
- Teaching better behaviour by stating the action; modelling what this should look like.
- Adapting the environment to support the child in meeting their needs where appropriate.

At Xavier Trust, our aim is to teach ready, respectful and safe behaviour.

We believe the right way to behave is to ensure everyone is safe, ready to learn and respectful of others and the school. Staff must always teach and model this message and make reasonable adjustments to allow all children to be successful.

We respond to children using natural and logical consequences. The way we maintain good behaviour is to teach and support children to be safe, respectful and ready to learn. We always aim to communicate the message that the only way to behave is ready, respectful and safe, and that this is consistent no matter who is dealing with the issue.

Relational practice

We promote relational practice where relationships are nurtured as a priority in our schools. We encourage and support children to be accountable, reflective and able to repair relationships through the principles of restorative practice.

High expectations of Behaviour: Ready, Respectful, Safe;

All children are expected and supported to follow the rules of 'Ready, Respectful and Safe' whilst in school. Children are taught explicitly to communicate if they are not feeling ready, respectful, respected or safe.

Ready:

- Having all the equipment and books needed for the day.
- Having homework or reading completed prior to the lesson.

- Wearing the correct uniform, in the correct way.
- Being calm and able to enter the classroom and settle to learn.

Respectful:

- Speaking politely and appropriately to teachers and adults in the school.
- Speaking politely to peers as well as adults.
- Using kind respectful language.
- Understanding that we use different language in different situations.
- Respectful of the learning space, looking after school property, buildings, walls or floors.
- Respectful of the learning equipment, looking after books, devices or school equipment.
- Respecting each other's differences.

Safe:

- Enable others to feel loved and safe as part of the school community.
- Use kind gestures, words and actions to others.
- Use equipment and furniture appropriately and safely, presenting no risk to others.
- Ensure actions and words keep others safe both physically and emotionally.
- Do not use verbal or physical aggression towards others.

Routines

Consistency is key and all schools within the Xavier Trust will follow routines to manage certain aspects of behaviour. These could include:

a) **Transitions:**

- The big welcome – staff are at the gates to welcome children into the school, children enter the school building on their own unless there is a specific reason they are unable to.
- At the end of break times and lunchtimes a whistle will be blown and children will stand still until the colour card for their house is shown and then they walk in silence back to class.
- When moving around the school at other times, e.g. going to PE, assembly, or music, the children line up and move safely and quietly. Coming into Celebration of the Word children will be invited to join their hands in prayer.

b) **Nonverbal communication:** We use non-verbals to direct the children to their tasks a few examples are- to turn to face their partner for partner talk, to stand up and sit down.

c) **Attention:** We use non verbals to get children's attention. This will be by an adult holding their hand up in silence.

Recognitions

At our Xavier Schools we want children to feel proud by the intrinsic value of achievement. We are committed to rewarding good learning habits in all key stages. We celebrate children's positive choices in different ways: which may include verbal praise, house points, stickers, postcard home and certificates.

Positive Behaviour Approach

As adults, we need to maintain a positive state in ourselves, so that we are in control of our own emotions. A positive state of mind is vital as well as supporting each other, both asking for and offering help.

Reasonable Adjustments for Children with additional needs (e.g. SEND or children with trauma)

Children with SEND are supported, and reasonable adjustments are made to ensure they are ready, respectful and safe in school and feel emotionally safe, happy and confident to learn.

Behaviour Curriculum:

At the core of our Xavier behaviour curriculum sits the three key 'Strands': Ready; Respectful; Safe. Our Behaviour Curriculum strands have been designed to demonstrate a typical rate of development, starting from the bottom. However, it is recognised that for individual children, this may be different. These are shown, along with components within each Strand.

Standards for Behaviour:

Alongside restorative practices and relational support work, there are times when formal consequences for standards of behaviour are required. They are outlined below.

| Stage | What might have happened? | What could be the consequence? |
|--|---|---|
| 1a) Low Level learning behaviour concern | I wasn't ready, respectful or safe. By behaving in this way, I wasn't ready to learn and/or prevented others from learning. | <ul style="list-style-type: none">• Make reasonable adjustments to the environment• Model appropriate behaviour• Anonymous reminder, then named reminder• Consideration of additional support requirements• Do it again, do it better• Praise for corrected behaviour• Consequence for repeated low level learning behaviour, for example, loss of privilege or community service |
| 1b) Low level unsafe or disrespectful behaviour concern | My behaviour was not safe for other children or adults. My behaviour placed others in an unsafe situation where they may have got hurt. My language was unkind, and I was not respectful to others. | <ul style="list-style-type: none">• Consider a natural consequence, which may include time to reset• Do it again, do it better• Review of need for reasonable adjustments to support child back to expected behaviours |

Child on child abuse

Xavier Catholic Education Trust believes all children have a right to attend school and learn in a safe environment.

All staff recognise that children are capable of abusing other children, and that it can happen both inside and outside of school or online. All staff understand the importance of challenging inappropriate behaviours between children that are abusive in nature.

Allegations of child-on-child abuse will be dealt with under our child protection and safeguarding policy and in line with Keeping Children Safe in Education (2023), including seeking advice and support from other agencies, as appropriate.

Anti-bullying

Our school is dedicated to fostering a safe and inclusive environment, and as part of this commitment, we uphold a stringent Anti-Bullying Policy. This policy, detailed separately, reinforces our zero-tolerance stance against all forms of bullying. We prioritise increasing awareness, encouraging reporting, and providing support for victims while promoting an anti-bullying ethos throughout our school community. All reports are promptly investigated, and appropriate actions are taken to ensure a safe and supportive environment for every student.

Searching, Screening and Confiscation

Using searching, screening and confiscation powers appropriately is an important way to ensure pupil and staff welfare is protected and helps schools establish an environment where everyone is safe. All searching, screening and confiscation will be undertaken in line with DfE [Searching, Screening and Confiscation: Advice for School July 2022](#).

Headteachers, and staff they authorise, have a statutory power to search a pupil or their possessions where they have reasonable grounds to suspect that the pupil may have a prohibited item.

The list of prohibited items is:

- knives and weapons;
- alcohol;

- vapes;
- illegal drugs;
- stolen items;
- any article that the member of staff reasonably suspects has been, or is likely to be used:
 - to commit an offence, or
 - to cause personal injury to, or damage to property of; any person (including the pupil).
- an article specified in regulations:
 - tobacco and cigarette papers;
 - fireworks; and
 - pornographic images.

Under common law, school staff have the power to search a pupil for any item if the pupil agrees. The member of staff should ensure the pupil understands the reason for the search and how it will be conducted so that their agreement is informed.

When exercising their powers to search, staff must consider the age and needs of pupils being searched or screened. This includes the individual needs or learning difficulties of pupils with Special Educational Needs (SEN) and making reasonable adjustments that may be required where a pupil has a disability.

Special and Exceptional Circumstances

In exceptional circumstances, with parental/carers consent, we may use:

- Part-time timetables- If children are too distressed to attend full time.
- Placements or provisions from alternative provision pathways.
- Short Stay School Outreach programmes.
- Fully supported managed moves to other schools where a fresh start may be an option.
- A move to a provision where more specialist support may be provided.

Suspension and Permanent Exclusion

A decision to suspend or permanently exclude will only be considered when alternative options have been explored. Permanent Exclusion is a last resort.

Suspensions and Permanent Exclusion are used in accordance with Xavier Catholic Education Trust Policy [Xavier Suspension and Permanent Exclusion Policy](#) and Government Guidance: [Suspension](#) and permanent exclusion guidance September 2023 (publishing.service.gov.uk).
