

WorkPlaceLive were thrilled to be given the opportunity to sponsor the recent movie night, and we were so happy to hear that it raised such a wonderful amount for the school!

Established over 20 years ago, WorkPlaceLive provide a complete range of IT and telecommunication services. From traditional IT support to Cloud Hosted Desktops and VoIP, WorkPlaceLive are able to offer our customers the best choice of technology to suit their needs.

If your organisation is addressing its IT requirements, get in touch today.

WorkPlaceLive have proven to private, public and charity sectors across the UK that they do not need to pay inflated prices to get a first class service.
