

## Meet The Team

My Name is Elisa Roberts and I am the manager of Treetops, the St Francis' School wrap-around club.

I am a mum of 4 boys who have all attended or still attend St Francis School so I am very familiar with the values that they hold, which I have transferred into the after school club.

Other than being a mum my biggest passion is teaching children to dance and I have over 20 years of experience in this. My dance experience is very extensive, I was trained at some of the best schools in the UK including 4 years at The Royal Ballet School in White Lodge, London followed by 3 years at a prestigious London stage school, where I was awarded a full scholarship and completed a Diploma in Performing Arts. I also completed my teaching diplomas in RAD Ballet, ISTD Ballet, ISTD Tap and ISTD modern, gaining distinction in all four. After a couple of years of various professional performance jobs I decided teaching was my forte. I currently manage and teach at my own successful Dance School and have over 280 students. I now have over 20 years of experience teaching children and 16 years of managing a business.

Teaching and helping children is one of my biggest passions and achievements. I absolutely love watching the children improve week to week, building strong teacher/student bonds and watching them grow into teenagers and adults.

My name is Tina Alcourt, but I am known as Mrs. A to the children. I have worked at St Francis' for over 10 years across all year groups, from Reception to year 6. My three children attended St Francis' and have all gone on to be successful adults in their own right. I am a qualified level 3 Teaching Assistant; I love my job and really enjoy working with the children.

As Treetops Supervisor, I am thoroughly enjoying my 'Treetops' adventure! Knowing and caring for the children throughout St Francis' as much as I do, means that I am always aware of their needs and ensure I do my best for all of them.

My hobbies include reading and spending time with my family and friends. I am very creative and enjoy coming up with great arts and craft ideas for the children in the club.
